You do not have to list a social security number, but if a social security number is not listed, or the "Check here if no Social Security Number" is not marked, we cannot approve the form. The social security number may be used to identify the household member in verifying the correctness of the information stated on the form. This may include program reviews, audits and investigations, and may include contacting employers to determine income, contacting a Food Stamp, CalWORKs, Kin-GAP, or FDPIR office to determine current certification for Food Stamp, CalWORKs, Kin-GAP, or FDPIR benefits, contacting the State employment security office to determine the amount of benefits received, and checking the documentation produced by the household member to prove the amount of income received. These efforts may result in a loss or reduction of benefits, administrative claims, or legal actions if incorrect information is reported.
