Research Authorization/Permission for Photos

The Cal Poly Pomona Children's Center is used by the students of California State Polytechnic University, Pomona for the purpose of furthering their knowledge of children and human development.

We ask your permission to allow the students to photograph your child for class projects and for use in developmental information about your child that will enable the students to complete their assignments. These photos will not be used for publication.

Permission Granted _____
Parent Signature Date

Permission Not Granted _____
Parent Signature Date

I grant permission that my child may be included in photographs, slides, videos or movies taken at The Children's Center, which may be used for purposes of promoting or interpreting the program.
